PASTOR'S REPORT

It is hard to believe that we are here again! Where did that year go to?

One of our big highlights has been the long-awaited meeting with Abigail. I know that it was harder waiting for the parents, but we have been anticipating that with them.

Of course, we had our own little arrival in April, again a long-awaited one. Daniel arrived in April, so Margaret and I have had to learn what being grandparents is all about. It was a shock when a few months later, Wendy was diagnosed with Hodgkin's lymphoma. She is getting towards the end of the treatment for this, and we are praying for complete healing for her.

For some reason, the Lord has been sending us people with substance abuse issues. They are all at different places and need to be loved in different ways. Both Margaret and I have looked past the appearance and into their hearts. It has been an interesting journey at this stage of our lives, and probably a good sign that God is not going to allow us to retire any time soon.

This year, we have replaced our traditional Family Camp weekend with two Day Camps in March and September. Both of these retreats were held at Greg And Sue Nash's place, and were quite well attended. This sort of day is always a welcome opportunity to stop and remember the good things that God is doing in our lives.

If we can find a suitable, affordable venue not too far away from Narrabri, we might go back to Family Camp next year.

The Apostolic Summit was another great event this year. These Summits are good for teaching, but also wonderful opportunities for fellowship, meeting new people and so on.

This year we have seen an increase in our financial support of other ministries. As well as giving on occasions to support people in India, we have increased our regular giving to the Schools Ministry and are helping to support the work of Justin and Roslyn Morgan in Mount Morgan, Queensland. It blows me away when I consider how widely our financial support and prayer support goes.

Betty's Place has been established as a place where women can come to talk about pregnancy, especially unplanned or unexpected pregnancy.

This year, Kaylene was unable to continue to be with us each week, meaning that Betty's Place has been paused. We have still been advertising on Facebook and maintaining a 24 hour phone service.

The next few months I will be seeking God's direction for Betty's Place. I am thinking I will spend the rest of the year praying and then early in 2026 possibly send out a request to the churches for volunteers.

Betty's Place is not just for women but also for men in various difficult family situations, such as fathers being excluded from seeing their children due to relationship breakdowns. Long term, we will be looking at ways to minister to people at all stages of family development,.

STOREHOUSE REPORT

The Storehouse commenced in January 2023. The idea is to collect money from our members, distributing half of it to external mission groups and saving half of it to invest at higher returns. We hope that over the course of a few decades we will amass a sizeable fund that might be used for some useful goodly purpose.

In a big step forward for the Storehouse, this year we opened two managed accounts with Australian Ethical Ltd. The accounts have slightly different portfolios of shares, but in the long run should return about 8% p.a. we currently have about \$21,000 invested there and will add to the accounts from time to time.

Our funds distributions in 2025 were as follows:

January Echo of Hope, a ministry of Ps. Boaz Gill in Pakistan.	\$2,000
April. Mount Morgan Church. Ps Justin and Roslyn Morgan	\$2,700
July Life Quip Ministries for outreach at AgQuip	\$3,500
October Apostle Robert Cochrane	\$2,600

A Dream For New Life

I see a church in Narrabri where people in their hundreds come to find water in the desert of their lives. The presence of God refreshes their spirits and the love of God's people brings hope to refresh their hearts.

I see a church in Narrabri that gathers weekly in homes and other places around the town and beyond. I see a church with a hundred cells meeting each day as lighthouses, shining Jesus' love in each street and neighbourhood. Our cell groups will be places of friendship, encouragement, evangelism and growth in our knowledge of God.

I see a church in Narrabri that brings together the diversity of cell groups and shows each person that they belong to something bigger. Each week we will celebrate what God is doing in our community. We will worship together and we will learn together.

I see a church in Narrabri where God's presence is experienced in every meeting, whether a cell group or a Sunday celebration. When we meet we will pursue the power and grace of the Holy Spirit and allow Jesus to transform us. As He changes us, we will find grace to take Him to our friends and neighbours. Encounters with the living God will ripple out across the Shire of Narrabri as we live in God's presence every day.

I see a church in Narrabri where anyone can become all they were created to be. We have been called to restore those who are broken, to walk with those who are lonely, to heal those who are wounded, to accept those who are rejected. We will be a community where every person has a chance to receive the healing grace of Jesus. We will be a community where every believer has the chance to be a pipeline for the healing grace of Jesus. We recognise that a true community finds ways of practical, emotional and spiritual support for its members as they are lifted from brokenness.

I see a church in Narrabri that sends evangelists, pastors, teachers and missionaries. We will equip those who belong to the church to go beyond the church. We will send them out to take God's grace to the region, the nation, the world.

I see a church in Narrabri that makes it easy to belong, to be healed, to believe, and to grow.

By the grace of God, New Life will be that church.
